

The Ruhlin Company's Board of Directors Promotes Michael Deiwert to Vice President

Sharon Center, Ohio – April 2010 – The Ruhlin Company's Board of Directors has promoted Michael L. Deiwert to Vice President. Mike has served as the General Manager of the Building Division for the past six years and has been a member of the division for over 20 years. He is a graduate of Purdue University with a BS in Construction Engineering and Management. He began his career with The Ruhlin Company as a Co-op and has focused his career on building construction utilizing General Contracting, Construction Management and Design/Build contracts. During his career, Mike has been involved with large multi-phase, multi-facility projects for the educational, governmental, healthcare and library markets. He has worked with Summa Health Systems, Akron General Medical Center, Medina County Libraries, Highland Local Schools, Akron Public Schools, Canton City Schools, Akron-Summit County Library and the University of Akron.

Mike is the immediate past President of the Akron Chapter of the Associated General Contractors of America and is the first Vice President of the Associated General Contractors of Ohio. He will serve as the President of the Associated General Contractors of Ohio in 2011. Mike is also a member of the American Society of Civil Engineers, Project Management Institute and American Concrete Institute.

About Ruhlin
