## **THE RUHLIN COMPANY** **HIRES FOUR NEW TEAM MEMBERS**

SHARON CENTER, OH, July 8, 2011 – The Ruhlín Company is pleased to announce the addition of Rich Zahoranski, Estimator; Cheryl “Sherri” Alvarado, Administrative Assistant; Dan Paulsen, Project Engineer; and Mario Garcia, Intern.

Rich Zahoranski joins the Civil Division as an Estimator. He joins Ruhlín with twenty years of project estimating and management experience specializing in heavy concrete work including foundation, formwork, and cast in place structures.

Sherri Alvarado will serve as Administrative Assistant for the IR-75 project in Montgomery County, Ohio. Sherri was a member of the United States Air Force, stationed at Wright-Patterson Air Force Base, and most recently has provided administrative support in industrial construction settings.

Dan Paulsen joins Ruhlín as Project Engineer. His responsibilities will include working with the team at the Willow Island Cofferdam and Excavation project. Dan recently graduated from Purdue University with a degree in civil engineering.

Mario Garcia joins Ruhlín as an Intern for the Civil and Building Divisions. Mario is a junior at The University of Akron majoring in Civil Engineering. Additionally, he was the first two year recipient (2010 and 2011) of the Ruhlín Family Scholarship, a program designed to focus on deserving engineering students, providing tuition assistance for the entire academic year.

The Ruhlin Company offers General Contracting, Construction Management and Design/Build services to the Healthcare, Education (K-12 & Higher Education), Government/Correctional, Commercial, Energy Generation, Environmental, Transportation, Industrial and Structural Steel markets. The company is dedicated to exceeding client expectations and specializes in meeting the unique needs of large multi-phased projects and special purpose construction. The Ruhlin Company is a leader in the construction of sustainable buildings and employs six LEED Accredited Professionals. The Ruhlin Company was founded in 1915 and is headquartered in Sharon Center, Ohio. To learn more, please visit [www.ruhlin.com](http://www.ruhlin.com).
